The Dinard International Show Jumping Competition, which will celebrate its 113th edition in 2025, is one of the major sporting events in western France. The Mars family, who run the event, have been putting on an extraordinary show for several years now, as the figures above show. The number of riders, horses, nationalities, events, prize money, exhibitors, and more demonstrate the wide reach, influence, and appeal of the competition, which has a significant impact on the town of Dinard.
